Capt Young told me Ferner was cleared by AFSA-16 after reviewing papers on his Q clear. But would like PHS filled out to bring data up to date. No fingerprints necessary. Have sent PHS forms over to Ferner to fill out.

## REMARKS

1. Think this should also come to you.
2. I consider in advisability of trying to get Farmer here for at least 2 weeks.
3. Since SANDIA is operated by Bell Telephone, I phoned Mr. Speakman of R&B (who arranges for our SCAG affairs) to see if he could arrange with Bell to

release Farmer for a couple weeks TD here. All that it would cost Govt is Farmer's travel + per diem, no consultant's fee involved.

RDB is short of travel funds + would like AFSA to pay that part. Speckman will let me know soon what Bell Tel answer is on letting Farmer come here.

3. Am expecting to hear from Farmer any day as to whether he feels he could get away and wants to do so.
4. Please return this to me
